(IN CHAMBERS) ORDER RE PLAINTIFF'S UPDATED MONTHLY FINANCIAL REPORT AND ORDERING REPORT FROM DEFENDANT by Judge John A. Kronstadt: The Court has reviewed Plaintiff's updated monthly financial report ("Report"). Dkt. [177]. The Report states that Plaintiff has not begun the process to evict his ex-wife from his property in France because it requires 3,000 Euros in attorney's fees. The Report also states that Plaintiff has used his increased income the past three months to pay certain expenses. These include attorney's fees in connection with the DOJ proceedings and the payment of sanctions imposed against Plaintiff and his client in a Superior Court Unlawful Detainer action. These responses are not adequate. Given the prior statements by Plaintiff that his ability to pay the amounts ordered in this action will be dependent on the proceeds that he receives from the sale of the property in France, Plaintiff has not adequately explained why he is not proceeding with the eviction notwithstanding what he identifies as the cost of 3,000 Euros, which at the present exchange rate is approximately \$3,400. Thus, he previously estimated the value of this property as 400,000 to 450,000 Euros, which is approximately \$451,000 to \$507,000, with net proceeds to Plaintiff from its sale of between 70,000 to 170,000 Euros, or \$79,000 to \$192,000. Dkt. [175]. Nor has Plaintiff explained why he has elected not to pay the sanctions imposed in this action, while paying those imposed in the Superior Court proceeding. In light of these issues, Defendant shall file a report on or before March 25, 2016, which states its position as to what steps, if any, should be taken with respect to Plaintiff's satisfaction of the obligations imposed in this action.
